On behalf of the Consignee, the forwarder and the trucking company, we hereby certify that truck and driver information provided on this form are correct for the purpose of ascertaining the Allowable Axle Load Limit of the truck whose details are provided above. The provision of inaccurate/false information engages the liability of the Trucking Company, Consignee and the Forwarder under the Axle Load Regulations of the Road Traffic Regulations 2012 (LI 2180). Should the truck be found exceeded the Allowable Axle Load Limit on the basis of the information provided, the Consignee, Forwarder and Trucking Company shall accept full responsibility for the breach of the Road Traffic Regulations 2012 (LI 2180) and shall accept all the liabilities arising therefrom. For the avoidance of doubt MPS shall be held harmless for any violations of the Allowable Axle Load under the Road Traffic Regulations arising out of the information provided herein.
